

Flooring Delivery Guide - Curbside

Important Steps

- ✓ The shipper will contact you 24 hours prior to schedule the drop-off time.
- ✓ Be prepared to move the products from the curb to your desired location of your residence.
- ✓ For large shipments or heavy loads, we suggest having an extra person around to help unload.
- ✓ In the rare case of damage or shortage, please make a note on your delivery receipt **BEFORE** the carrier leaves your home.

Curbside Delivery: What To Expect

Delivery of Southern Luxe Flooring is curbside delivery. For your convenience, we offer upgraded delivery to your driveway, garage, or inside your home for an additional fee.

The carrier will drop-off your flooring via lift gate. The carrier will put your products on a lift gate and will deploy to the curbside of your residence, on a shipping pallet. **It is your responsibility to move your shipment from the curbside.**
